Defendant.)	

Pending the Court's approval, the time for Defendant to file her Motion for Summary Judgment is extended thirty-five (44) days from December 3, 2025, up to and including January 16, 2026. This is the Defendant's first request for an extension on the deadline to file his Motion for Summary Judgment.

After being recently assigned this case, Counsel for Defendant respectfully requests this extension in order to adequately evaluate the issues presented. Counsel requests a 44-day extension due to the large backlog of work created by the extended lapse in appropriations as well as planned leave during the holidays. Defendant appreciates Plaintiff's counsel's professional courtesy and apologizes to the Court for the inconvenience.

Accordingly, the parties hereby stipulate that Defendant's Motion for Summary

Judgment be due on January 16, 2026. The parties further stipulate that the Court's Scheduling Order shall be modified accordingly.

Respectfully submitted,
